Fred Beans Buick and Fred Beans GMC Named Mark of Excellence Winners *Dealerships Awarded for Superior Sales and Service*

Doylestown, PA – General Motors has named two Doylestown automotive dealerships, Fred Beans Buick and Fred Beans GMC, as Mark of Excellence Award winners.

The General Motors Mark of Excellence Award is based on sales performance, sales volume, and customer satisfaction. It recognizes a dealership's commitment to excellence and is considered a top honor in the industry.

"Receiving this award is a testament to our hard work. Our goal as a team is to set the standard for how things should be done," said John Brady, General Manager of both stores. "We're beyond lucky to have such a driven staff."

With over 400 new vehicles, backed by an award-winning staff, Fred Beans Buick and Fred Beans GMC continue to draw crowds from all over the Delaware Valley. They also generate a lot of certified pre-owned business, as they house an impressive selection of factory-certified pre-owned models.

"Our team strives to provide a better selection and better service to our customers," Brady added. "This award is a direct result doing just that."

The Fred Beans Buick and GMC stores share one location at 841 N Easton Road, Doylestown, PA. More information about the dealerships can be found on their website at www.fredbeansbuickgmc.com.
